

3 YEAR WARRANTY AGAINST DEFECTS

CONSUMER GUARANTEES

Our Products come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Product repaired or replaced if the Product fails to be of acceptable quality and the failure does not amount to a major failure.

New Verbatim Lighting Products come with a three (3) year or 15,000 operational hour Warranty against Defects as set out in this document, whichever is the first in time (Warranty). The Warranty Period ends on the earlier of:

- The end of the 3 Year period from the Date of Purchase; or
