vue series

forlite

a dark-light effect can create a soft and warm environment, and a curved edge transitions from light to dark gently. the overall effect being to draw the eye to the lit area or object.
the smooth range of architectural luminaires aims to provide the designer with the tools to create the perfect environment to connect with the end user.

specifications

system wattage:	4W, 6W, 8W
luminaire output:	380lm to 770lm
CCT:	2700K, 3000K, 4000K, 5000K
optics:	15°, 24°, 38°
CRI:	90
control:	non-dim, 1-10V, triac, DALI, Casambi
operating voltage:	240Vac
finish:	white & black
housing:	die-cast aluminium
diffuser:	glass lens
enclosure protection:	IP20
operating temp:	25°C
lifetime:	50,000hrs
warranty:	5 years
accessories:	honeycomb filter, clear lens, frosted diffuser

hellion series

ithe vue hellion range is suitable for residential, retail or commercial projects.

surface mount downlight comes with specular finish gloss reflector in aluminum vacuum coated and die cast aluminum housing, Citizen LED COB with 40° and 60° beam angle options,

specifications

system wattage:	20W, 33W, 45W
luminaire output:	2062lm to 4202lm
CCT:	2700K, 3000K, 3500Km 4000K
optics:	40°, 60°
CRI:	>90
control:	non-dim, 1-10V, Triac, DALI
operating voltage:	240Vac
finish:	white & black
housing:	die-cast aluminium, al reflector
diffuser:	
enclosure protection:	IP65
operating temp:	25°C
lifetime:	50,000hrs
warranty:	5 years
accessories:	ceiling bracket

mighty bollard

rigid series

the mighty bollard series is designed to produce low glare illumination with a range of optics available. the soft curves will enhance any outdoor environment while the concealed fixing plate and rag bolt kit will ensure secure installation.

the mighty 500 delivers 14W while the mighty 900 delivers 24W, encased in a matt black powder coated aluminium body and a clear multi optic PC lens.

specifications

system wattage:	14W (mighty 500); 24W (mighty 900)
luminaire output:	1190lm up to 1920lm
CCT:	3000K, 4000K
optics:	type 4, type 5
CRI:	80
macadam:	<4
control:	non-dim, DALI or casambi
operating voltage:	240V AC; 24V DC (optional)
finish:	matte black
housing:	die-cast aluminium
diffuser:	multi-optic PC lens
enclosure protection:	IP66, IK10
operating temp:	-30°C to +50°C

halo bollard

rigid series

The Halo bollard is designed to deliver 360 degrees of low glare illumination through an opal inner lens and clear outer lens. The white internal reflector enables indirect illumination making this perfect for public spaces and residential walk ways.

The halo 10 delivers 25W while the halo 5 delivers 14W, encased in a matt black powder coated alu body with an opal inner lens, white reflector and clear outer lens.

Supplied with integral or remote driver. Complete with ragbolt kit for secure installation.

specifications

system wattage:	14W (halo 5) or 25W (halo 10)
luminaire output:	1400lm up to 3250lm
CCT:	3000K, 4000K
optics:	type 5
CRI:	80
control:	non-dim, DALI or casambi
operating voltage:	240Vac, 24Vdc (optional)
finish:	matte black
housing:	die-cast aluminium
diffuser:	clear or opal lens
enclosure protection:	IK10, IP66
operating temp:	-30°C to +50°C
lifetime:	46,000hrs (L90)
warranty:	5 years
accessories:	clear or opal lens
